

Frost Tolerant

Zanthorrea
nursery

The following plants are reported to be tolerant to light frosts. We welcome your feedback.

Small plants (to 1m)

- Bauera ruboides (river rose)
- Boronia megastigma (brown boronia)
- Calytrix tetragona
- Correa mannii (native fuchsia)
- Crowea exalata
- Darwinia citriodora (lemon-scented darwinia)
- Homoranthus flavescens
- Hypocalymma angustifolium
- Melaleuca thymifolia
- Patersonia occidentalis (purple flags)
- Pimelea ferruginea (rice flower)
- Thrypomene saxicola (rock thryptomene)
- Westringia fruticosa (native rosemary)

Medium Plants (1 to 3m)

- Allocasuarina humilis (dwarf sheoak)
- Baeckea virgata (heath myrtle)
- Banksia ericifolia (heath leafed banksia)
- Callistemon 'Mauve Mist'
- Callistemon 'Reeves Pink'
- Dodonea viscosa (hop bush)
- Eremophila maculata (emu bush)
- Philotheca myoporoides (native daphne)
- Grevillea rosmarinifolia (rosemary grevilla)
- Grevillea sericea
- Melaleuca huegelii (chenile honey myrtle)
- Melaleuca incana (grey honey myrtle)
- Prostanthera ovalifolia (purple mint bush)

Large Plants (3m and over)

- Acacia fimbriata (fringed wattle)
- Acacia howittii (sticky wattle)
- Acacia floribunda (gossamer wattle)
- Callitris preissii (Rottnest Island pine)
- Grevillea 'Ivanhoe'
- Melaleuca armillaris (bracelet honey myrtle)

Trees

- Casuarina cunninghamiana
- Eucalyptus cinerea (argyle apple)
- Eucalyptus leucoxydon rosea
- Eucalyptus macrandra
- Eucalyptus microtheca (coolibah)
- Eucalyptus nicholii (willow peppermint)
- Eucalyptus sideoxydon rosea (pink ironbark)
- Melaleuca linariifolia (snow in summer)

Ground Covers

- Grevillea gaudichaudii
- Grevillea thelemanniana (spider net grevillea)
- Myoporum parvifolium
- Brachyscome multifida (rock daisy)
- Banksia repens (creeping banksia)

Climbers

- Hardenbergia comptoniana (native wisteria)
- Kennedia nigricans (black coral pea)
- Sollya heterophylla (bluebells)
